Studies in History, Memory and Politics;; v.38 PawelecTomasz Altri autori (Persone) Disciplina 901.9 Soggetti History Archaeology Lingua di pubblicazione Inglese **Formato** Materiale a stampa Monografia Livello bibliografico Sommario/riassunto This work represents the first truly comprehensive and non-biased history of psychohistory, a vanguard branch of historical scholarship that studies the psychological dimension of the past using principles of psychoanalysis and psychology as its theoretical ground. Tomasz Pawelec is an experienced methodologist and historiographer who systematically examines, reconstructs, and evaluates the major theoretical and methodological guiding assumptions shared by psychohistorians. In effect, he provides the reader with an intriguing portrait of a peculiar research paradigm – and a specific intellectual "monad" – that developed within the twentieth-century American

of psychohistorical publications.

history. At the empirical foundation of his work lies a broad collection
