Sommario/riassunto	This book traces archaeological exploration and discoveries as early as 2012 and reveals Liangzhu culture by reviewing seven years of archaeological findings at the Liangzhu historical site, developments in archaeology history, the psychological journeys of archaeologists, as well as the collision of schools of thought. It also contains in-depth interviews with archaeological experts and other specialists, building a bridge between popular interest and academic interest, and showcases Liangzhu civilization and archaeology for professionals and the general public alike.
