Sommario/riassunto	<p>Illicit Enrichment provides a comprehensive guide to illicit enrichment laws and how to apply them to pursue unexplained assets and recover the proceeds of corruption and other crimes. The book, which is available free of charge, covers criminal and civil laws from around the world. Investigators, prosecutors, lawmakers and academics will benefit from the clear descriptions and practical advice on different approaches to dealing with unexplained increases in wealth, on how to establish cases in court; and on legal challenges common to illicit enrichment laws.</p> <p>Enrichissement illicite fournit un guide complet des lois sur l'enrichissement illicite et de leur application pour poursuivre les actifs inexplicues et recuperer les produits de la corruption et d'autres crimes. Le livre, qui est disponible gratuitement, couvre les lois penales et civiles du monde entier. Les enqueteurs, les procureurs, les legislatureurs et les universitaires profiteront des descriptions claires et des conseils pratiques sur les differentes approches pour traiter les augmentations inexplicuees de la richesse, sur la facon d'etablir les cas devant le tribunal et sur les defis juridiques communs aux lois sur l'enrichissement illicite.</p>
