Bringing together a variety of disciplinary perspectives, it discusses immigrant work integration as a process of sensemaking, involving multiple actors (immigrants, organizations, communities, and governments) and multiple scales (individual, interactional, organizational, and institutional). The authors identify key players, issues, practices of support, and avenues for future research. This work contributes to enhancing the social impact of academic research by providing a comprehensive overview of the field of immigrant work integration for

practitioners.

researchers in global mobility and organizational studies, as well as
