Nota di contenuto	Chapter: 1 introduction -- Chapter: 2 yearning for the ussr -- Chapter 3: economic bedlam -- Chapter 4: social glue -- Chapter 5: glory days -- Chapter 6: the politics of the past and present -- Chapter 7: uncertainty in the future.
Sommario/riassunto	This book explores the extent to which and the reasons why Russia's citizens harbor feelings of nostalgia for the Soviet Union today. Based on the results of a nationwide survey and rigorous field research carried out within several of Russia's regions, Dr. Sullivan uncovers material and cultural rationales for this sentiment of nostalgia – which poses both an opportunity and a challenge to the Russian government. With Russian nationalism and revanchism a resurgent force in contemporary global affairs, this detailed study will interest scholars of international relations and of populist authoritarianism around the world.
