Political Errors in Racial Social Justice Movements.
Sommario/riassunto	This book utilizes cultural psychology as a cultural theory and psychological theory capable of explaining and improving social issues. In particular Vygotsky's cultural-historical psychology, and Ratner's macro-cultural psychology are invoked to explain racism and mitigate

it. This explanation of, and solution to, racism are utilized as a framework for analyzing and refining contemporary movements for racial justice. Among the topics discussed: Macro cultural psychology and Vygotsky's Marxist cultural-historical psychology Differentiating psychological racism from economic racism Historical examples of racism during American slavery which reveal their cultural and psychological features Cultural-psychological analysis and refinement of Black Lives Matter, racial capitalism, intersectionism, and Ta-Nehisi Coates' work Cultural Psychology, Racism, and Social Justice will be of interest to the fields of social policy, social transformation, psychological theory, cultural theory, and history.
