| Sommario/riassunto      | The three-volume set constitutes the proceedings of the 17th International Conference on Wireless Algorithms, Systems, and Applications, WASA 2022, which was held during October 28-30, 2022. The conference took place in Dalian, China. The 95 full and 62 short papers presented in these proceedings were carefully reviewed and |

selected from 265 submissions. The contributions in algorithms, systems; and applications of internet of things;information processing and data management; radar and sonar networks.
