

1. Record Nr.	UNINA9910633960103321
Titolo	Refractive Surgery : Types of Procedures, Risks, and Benefits // edited by Maja Bohac, Mateja Jagic
Pubbl/distr/stampa	London : , : IntechOpen, , 2022
ISBN	1-80355-901-2
Descrizione fisica	1 online resource (138 pages)
Disciplina	617.719
Soggetti	Cornea - Surgery
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Refractive surgery has been gaining popularity worldwide in recent decades. This book provides essential facts about refractive errors, introducing new technologies in keratorefractive surgery, cataract surgery and combined surgery. Options available for complex cases like residual refractive errors after keratoplasty and good refractive results that can be achieved for glaucoma patients are also discussed. This book should be of interest to ophthalmology specialists and trainees studying refractive surgery.
