Note generali	Originally published: Canberra : Pandanus Books, 2005.
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	In 1975, Papua New Guinea became an independent nation. Thirty years on, Denoon traces the colorful history of PNG's rapid decolonization and Australia's involvement in this process. This is a compelling and authoritative account that challenges the contemporary perceptions of post-colonial PNG.
