

1. Record Nr.	UNINA9910637698203321
Autore	Rodriguez Narseo Vallina
Titolo	CoNEXT-SW '22 : proceedings of the 3rd International CoNEXT Student Workshop // Narseo Vallina Rodriguez, Jon Crowcroft
Pubbl/distr/stampa	New York, New York : , : Association for Computing Machinery, , 2022
Descrizione fisica	1 online resource (50 pages) : illustrations
Disciplina	004.6
Soggetti	Computer networks Digital communications
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Following the success of previous years, the main CoNEXT conference will be accompanied by this one-day Student Workshop providing a platform for graduate students in the area of computer networks and communications to learn from senior researchers in the field and present their ongoing research efforts. The idea of this workshop is also to offer an opportunity for students to receive constructive feedback, guidance, and tips, moreover, to network with other junior researchers as well as more experienced ones.
