Sommario/riassunto	This scholarly work by Matteo Sanfilippo explores the historical complexities of feudalism in the Saint Lawrence Valley, focusing on its development and impact from the period of New France to the 19th century. The book, translated from Italian, provides an in-depth analysis of the socio-economic structures and cultural influences that

shaped the region. It aims to shed light on the historical narratives and historiographical debates surrounding the feudal system in Canada. This book is intended for historians, researchers, and students interested in Canadian history, particularly those studying the colonial period and its legacy.
