Nota di contenuto	Introduction -- The Linguistic Turn in Jurisprudence -- Legal Language -- Translation of Chinese Legal Classics -- Translation of Modern Laws and Regulations -- Chinese Legal Language Planning in the New Area -- Conclusion.
Sommario/riassunto	By making a comprehensive and interdisciplinary analysis on the translation history of both the ancient Chinese legal classics and the modern laws and regulations, this book presents a full picture of development of Chinese legal translation. Legal translation in China has undergone twists and turns in the past and always lacked a systematic and comprehensive theoretical framework. Therefore, guided by the language planning theory, this book intends to build a theoretical framework for study and practices of legal translation in the New Era and provide a feasible path for general readers, students of relevant majors, and professionals interested in Chinese legal culture to get a refreshed understanding legal translation and legal culture promotion. .
