Livello bibliografico	Monografia
Sommario/riassunto	Phenomena such as the Covid-19 pandemic, climate change, or the surge of political populism show that the current phase of accelerated globalization is over. New concepts are needed in order to respond to this exhaustion of the global project: the volume scrutinizes these responses in the aesthetic realm and under a "post-global" banner, while incorporating alternative, non-Western epistemologies and literatures of the post-colonial Global South.
