Sommario/riassunto	It's widely accepted in organizations that experience gained from job assignments and formal training helps managers develop their skills in such areas as implementing agendas, working through relationships, creating change, and increasing personal awareness. If you are a manager who has set developmental goals for yourself, you will be able to achieve those goals through skills you learn and practice both on and off the job. This guidebook shows you how experiences from

family relationships, friendships, volunteer work, and personal
avocations can enhance your professional growth and effectiveness
