Sommario/riassunto	For more than two decades, John J. Mearsheimer has been regarded as one of the foremost realist thinkers on foreign policy. Clear and incisive as well as a fearlessly honest analyst, his coauthored 2007 New York Times bestseller, <i>The Israel Lobby and U.S. Foreign Policy</i> , aroused a firestorm with its unflinching look at the making of America's Middle East policy. Now he takes a look at another controversial but understudied aspect of international relations: lying. In <i>Why Leaders Lie</i> , Mearsheimer provides the first systematic analysis of lying as a tool of statecraft, identifying the varieties,
