Sommario/riassunto	Andrew Tink's superb book tells the story of Australia in the twentieth century, from Federation to the Sydney 2000 Olympics. A century marked by the trauma of war and the despair of the depression, balanced by extraordinary achievements in sport, science and the arts. A country underpinned by a political system that worked most of the

time and the emergence of a mainly harmonious society. Australians at the start of the century could hardly have imagined the prosperity enjoyed by their diverse countrymen and women one hundred years later. Tink's story is driven by people, whether they be prime
