Sommario/riassunto	David Livingstone was one of the supreme representatives of the British Empire; yet his career suffered many set-backs during his own lifetime and since his death his reputation has swung between extremes of adulation and dismissal. Were his epic journeys through Africa purely to save souls and counter the slave trade? Or were they the first steps towards bringing the peoples of Central Africa under the control of Europeans who would destroy their values and exploit them economically? Beyond these questions, there lies the puzzle of Livingstone's own character and its contradictions. Livingsto
