

1. Record Nr.	UNINA9910669818303321
Autore	Uchida Jun
Titolo	Provincializing Empire : Omi Merchants in the Japanese Transpacific Diaspora / / Jun Uchida
Pubbl/distr/stampa	Oakland, California : , : University of California Press, , 2023
Descrizione fisica	1 online resource (xii, 360 pages)
Disciplina	338.0952
Soggetti	Japan Commerce History
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	<p>"Provincializing Empire explores the global history of Japanese expansion through a regional lens. It rethinks the nation-centered geography and chronology of empire by uncovering the pivotal role of expeditionary merchants from Omi (present-day Shiga Prefecture) and their modern successors. Tracing their lives from the early modern era, and writing them into the global histories of empire, diaspora, and capitalism, Jun Uchida offers an innovative analysis of expansion through a story previously untold: how the nation's provincials built on their traditions to create a transpacific diaspora that stretched from Seoul to Vancouver, while helping shape the modern world of transoceanic exchange"-- Provided by publisher.</p>
