

1. Record Nr.	UNINA9910671602403321
Autore	Ravich Timothy M.
Titolo	Commercial drone law : digest of U.S. and global UAS rules, policies, and practices / / Timothy M. Ravich
Pubbl/distr/stampa	Chicago, Illinois : , : ABA, , [2017] ©2017
ISBN	1-63425-803-7
Descrizione fisica	1 online resource (xix, 409 pages) : illustrations
Disciplina	343.73097
Soggetti	Drone aircraft - Law and legislation - United States Aeronautics, Commercial - United States - Safety measures Drone aircraft - Law and legislation - United States - States Drone aircraft - Law and legislation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Overview -- Terminology and stakeholders -- Model aircraft -- Airspace -- FAA modernization and Reform Act of 2012 -- Authority to fly -- Airworthiness -- Registration -- Commercial UAS and Part 107 -- State UAS review -- World UAS survey.
Sommario/riassunto	"[This book] presents the main legal, business, and regulatory issues associated with unmanned aerial vehicles--drones. Though not designed to be read from beginning to end (but rather from section to section, as needed), this book introduces readers to the seminal issues that constitute drone law: definitions, model aircraft operations, the FAA Modernization and Reform Act of 2012, airspace, registration, authorizations to fly, and the newly enacted 'Part 107' directed to small commercial drones. The book concludes with a comprehensive survey of state-by-state and nation-by-nation drone laws. Altogether, readers will gain rare insight into how laws are made (or not) in the face of rapid technological change."--
