| Sommario/riassunto   | This work focuses on the topic of freedom. The author starts with the old issue of free will - do we as individual human beings choose our conduct, at least partly independently, freely? He comes down on the side of libertarians who answer Yes, and scorns the compatibilism of philosophers like Daniel Dennett, who try to rescue some kind of freedom from a physically determined universe. From here he moves on to apply his belief in radical freedom to areas of life such as religion, politics, a... |
