: the case of Languages Open Resources Online (LORO) / Tita Beaven -- Towards a pedagogy of openness : bridging English-language and foreign-language digital humanities / Rebecca F. Davis and Carl S. Blyth -- Finding and using the good stuff : open educational practices for developing open educational resources / Christian Hilchey.

Sommario/riassunto	This book contextualizes open education in foreign language (FL) learning and teaching; fills a gap in the research by exploring aspects of open second language learning and teaching across a range of educational contexts; and illustrates new ways of creating freely shared FL materials. This book is open access under a CC BY ND licence.
