Nota di contenuto	Introduction / Sisay Asefa and Wei-Chiao Huang -- The role of performance management in good governance / Carolyn J. Heinrich -- Political parties, democracy, and "good governance" / John Ishiyama -- Good governance in transition economies : a comparative analysis / Susan J. Linz -- Governance challenges in education and health care in developing countries / Seema Jayachandran -- Governance problems and priorities for local climate adaptation and poverty alleviation / Stephen C. Smith -- The challenges of good governance and leadership in developing countries : cases from Africa and China / Sisay Asefa and Wei-Chiao Huang.
Sommario/riassunto	A notable group of social scientists explore the political economy of good governance and how it relates to performance management, the influence of political parties, education and health issues in developing countries, the economic performance of transition economies, and the

effects of climate on poverty.
