Sommario/riassunto

"A wide-ranging and knowledgeable guide to the history of radical  
geography in North America and beyond. Includes contributions from  
an international group of scholars. Focuses on the centrality of place,  
spatial circulation and geographical scale in understanding the rise of  
radical geography and its spread - A celebration of radical geography  
from its early beginnings in the 1950s through to the 1980s, and after.  
Draws on oral histories by leaders in the field and private and public  
archives Contains a wealth of never-before published historical  
material"--
