

1. Record Nr.	UNINA9910686497803321
Titolo	Chemical & biomedical imaging
Pubbl/distr/stampa	Washington, D.C. : , : American Chemical Society [Nanjing, Jiangsu, China] : , : Nanjing University, , 2023-
ISSN	2832-3637
Descrizione fisica	1 online resource
Disciplina	621.367
Soggetti	Imaging systems Imaging systems in chemistry Imaging systems in medicine Diagnostic Imaging Chemical Phenomena Periodicals. Periodical
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Sommario/riassunto	An open access journal devoted to publishing the most cutting-edge and innovative imaging research across all areas of chemistry, physics, biology, engineering, medicine, and life science.
