Sommario/riassunto

This book explores the cost and impact of the novel coronavirus (COVID-19) on Higher Education in India and provide expert forecasts on the future of higher education in this region. This edited book will provide a critical reflection on the sectoral impact, opportunities and challenges for higher education in post-pandemic India. This book will serve as an opportunity for faculty, researchers and practitioners of education to reconsider and reimagine the governance, financing and management of institutions of higher education in India.
