

1. Record Nr.	UNINA9910688312603321
Titolo	Current Perspectives on Coronary Artery Bypass Grafting // edited by Takashi Murashita
Pubbl/distr/stampa	London, United Kingdom : , : IntechOpen, , 2020
Descrizione fisica	1 online resource (176 pages) : illustrations
Disciplina	617.412
Soggetti	Coronary artery bypass
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This book, The Current Perspectives on Coronary Artery Bypass Grafting, is an excellent update for health care professionals taking care of patients suffering from severe coronary artery disease. The nine chapters in this book were written by experts in their fields. The first section describes the hemodynamic mechanism and medical management of coronary artery disease. The second section describes the most recent evidence and controversial topics in the field of coronary artery bypass grafting. I believe this book will serve the interests of readers.
