**Sommario/riassunto**

One of Japan's most important intellectuals, Nambara Shigeru defended Tokyo Imperial University against its rightist critics and opposed Japan's war. His poetic diary (1936D1945), published only after the war, documents his profound disaffection. In 1945 Nambara became president of Tokyo University and was an eloquent and ardent spokesman for academic freedom. In this first English-language collection of his key work, historian and translator Richard H. Minear introduces Nambara's career and thinking before presenting translations of the most important of Nambara's essays, poems, and speeches.

Sommario/riassunto	This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject. With their unique mix of varied contributions from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: <a href="http://frontiersin.org/about/contact">frontiersin.org/about/contact</a>
