

1. Record Nr.	UNINA9910688381303321
Titolo	Autonomic Nervous System : special interest topics // edited by Theodoros Aslanidis, Christos Nouris
Pubbl/distr/stampa	London : , : IntechOpen, , 2022 ©2022
Descrizione fisica	1 online resource (172 pages)
Collana	Physiology
Disciplina	612.89
Soggetti	Autonomic nervous system
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	The autonomic nervous system (ANS) is a subsystem of the nervous system that possesses several levels (groups) for receiving, transmitting, generating, and processing information. This book presents a comprehensive overview of the ANS, including chapters on the role of the ANS in a healthy lifestyle, the ANS-stress relationship, general anesthesia and the ANS, signaling pathways, and more.
