Sommario/riassunto	Each chapter of this book covers physical examination, imaging, differential diagnoses, and treatment. For each diagnosis, the book sets out the typical presentation, options for non-operative and operative management, and expected outcomes. Each chapter is concise enough to be read easily. Users can read the text from cover to cover to gain a general foundation of knowledge. Practical and user-friendly, Essentials in Hip and Ankle is the ideal, on-the-spot resource for medical students and practitioners seeking fast facts on diagnosis and management. Its format makes it a perfect quick-reference, and its content breadth covers commonly encountered orthopedic problems in practice.

Sommario/riassunto

A comprehensive guide to socially responsible investing (SRI) With concerns about climate change increasing among investors, many are looking for opportunities that offer positive social as well as monetary returns. Sustainable Investing for Institutional Investors: Risk, Regulation and Strategies explores the key issues related to "Socially Responsible Investment" (SRI) for institutional investors and trustees, including investment strategies, risk and returns, market data, regulatory frameworks, and more.
