|    | Sommario/riassunto      | This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered |

on a particular subject. With their unique mix of varied contributions from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: [frontiersin.org/about/contact](https://frontiersin.org/about/contact)

| Nota di contenuto       | pt. I. The double aim of protecting financial consumers and the stability of the markets in the context of financial institution failure -- pt. II. Delineating financial consumer protection under EU law in the event of financial institution failure.                                                                                                            |
| Sommario/riassunto      | This book offers an original perspective on EU financial law in the area of retail investor protection by conducting comparisons both externally (to international proposals) and internally (among EU law sectors and specific instruments in relation to one another). In so doing, this study represents a valuable addition to the literature on retail investor |

protection in the EU.
