Sommario/riassunto	<p>The Nursing - New Perspectives book covers nursing services and related topics of interest. The book includes innovative nursing services that will positively affect patient safety such as leadership in nursing, patient-nurse conflict, patient safety and medical errors, nurses' perspective, simulation, collaboration, communication and quality in care. Various experts from around the world have made valuable contributions to the book. I especially thank them. With these broad advanced topics covered in this particular book, no doubt the clinician, researcher, or any reader will find this book valuable in guiding them to grasp a new understanding and to keep up-to-date with information on nursing services.</p>
