10 Authoritarian aspects of PAP rule; 11 Elections, electoral innovations, and the Opposition; 12 The growth of civil society; 13 Deterrence and diplomacy; 14 Singapore in the future; Further reading; Notes; Index

Sommario/riassunto

A comprehensive overview of politics in Singapore since self-governance. The authors examine how this tiny island has developed into a global financial centre and an economic and social success under the leadership of the People's Action Party which has ruled continuously since 1959. The authors explore the nature of the Singaporean government, as well as major issues such as ethnicity, human rights and the development of civil society.

Sommario/riassunto

Building on the foundation of the previous five editions, <i>Hospital and Healthcare Security, 6th Edition</i> includes new and updated chapters to reflect the current state of healthcare security, particularly in data security and patient privacy, patient-generated violence, and emergency preparedness and management. The recognized leading text in the healthcare security industry, <i>Hospital and Healthcare Security, 6th Edition</i> explains the basics as well as higher expertise concerns, such as the roles of design, emergency management, and policy. Conveying a wide spectrum of topics in
