Sommario/riassunto	The popular notion that sees the Anglo-Saxon era as "The Dark Ages" perhaps has tended to obscure for many people the creations and strengths of that time. This collection, in examining many aspects of pre-Norman Britain, helps to illuminate how Anglo-Saxon society contributed to the continuity of knowledge between the ancient world and the modern world. But as well, it posits a view of that society in its own distinctive terms to show how it developed as a synthesis of radically different cultures. The Bayeux Tapestry is examined for its

underlying political motivations; the study of Old Engli
