

1. Record Nr.	UNINA9910689975403321
Autore	Poppe Lawrence J.
Titolo	APSAS, an Automated Particle Size Analysis System / / by L.J. Poppe, A. H. Eliason, and J.J. Fredericks
Pubbl/distr/stampa	[Reston, Virginia] : , : Department of the Interior, U.S. Geological Survey, , 1985
Descrizione fisica	1 online resource (iii, 77 pages) : illustrations
Collana	U.S. Geological Survey circular ; ; 963
Soggetti	APSAS (Computer system) Particle size determination - Data processing
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed June 22, 2018) "A computer-based system designed to rapidly and accurately perform sediment grain-size analyses and calculate statistics."
Nota di bibliografia	Includes bibliographical references (page 8).
