

1. Record Nr.	UNINA9910690636003321
Titolo	U.S. export sales reports / / FAS
Pubbl/distr/stampa	[Washington, D.C.], : FAS
Disciplina	658.8
Soggetti	Exports - United States Export sales contracts - United States Exportations - Etats-Unis Commerce Export sales contracts Exports Internet resource Periodicals. Statistics. United States Commerce Statistics Periodicals United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Web site maintains weekly reports for the current month only. Some issues distributed to depository libraries on microfiche, <1986-1996>
Sommario/riassunto	This publication serves as a timely early warning system on the possible impact of agricultural obligations on U.S. supplies and prices. The data can be used, for example, to assess the level of export demand, to determine where markets exist, and to assess the relative position of different commodities in those markets.

2. Record Nr.	UNINA9910962997203321
Autore	Council National Research
Titolo	Expanding Biofuel Production : Sustainability and the Transition to Advanced Biofuels : Summary of a Workshop
Pubbl/distr/stampa	Washington, : National Academy Press, 2010
ISBN	9786612554568 9780309152914 0309152917 9781282554566 1282554565 9780309147156 0309147158
Edizione	[1st ed.]
Descrizione fisica	1 online resource (178 p.)

Disciplina	333.794
Soggetti	Biomass energy -- Congresses Biomass energy -- Research -- United States Electronic books. -- local
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di contenuto	""Preface and Acknowledgments""; ""Contents""; ""I: Introduction and Overview""; ""II: Policies Driving the Expansion of Biofuel Production""; ""III: Next-Generation Technologies and Feedstocks""; ""IV: Dimensions of Sustainability and Expanding Biofuel Production""; ""V: Going Forward""; ""Appendices""; ""Appendix A: Workshop Agenda""; ""Appendix B: Workshop Participants""; ""Appendix C: Description of Agency Activities on Biofuels and Sustainability""; ""Appendix D: Brief Survey of State Biofuel Policies in the Upper Midwest"" ""Appendix E: Assessing the Sustainability of Biofuels: Metrics, Models, and Tools for Evaluating the Impact of Biofuels""""Appendix F: Selected Bibliography""; ""Appendix G: Biographical Information: Workshop Participants""; ""Appendix H: Roundtable on Science and Technology for Sustainability""
Sommario/riassunto	While energy prices, energy security, and climate change are front and center in the national media, these issues are often framed to the

exclusion of the broader issue of sustainability--ensuring that the production and use of biofuels do not compromise the needs of future generations by recognizing the need to protect life-support systems, promote economic growth, and improve societal welfare. Thus, it is important to understand the effects of biofuel production and use on water quality and quantity, soils, wildlife habitat and biodiversity, greenhouse gas emissions, air quality, public health, and the economic viability of rural communities.
