

1. Record Nr.	UNINA9910690873303321
Titolo	Planetary fact sheets [[electronic resource]]
Pubbl/distr/stampa	[Greenbelt, MD], : National Space Science Data Center, <2002- >
Disciplina	523.4 523.44 523.6 523.7 551.1
Soggetti	Planets Asteroids Comets Earth Sun
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen.
Sommario/riassunto	Presents a collection of fact sheets published by the National Space Science Data Center (NSSDC) at NASA's Goddard Space Flight Center in Greenbelt, Maryland. Contains fact sheets about the sun, planets, the Earth, asteroids, planetary rings and satellites, and comets. Provides notes about the fact sheets, including definitions of parameters, units, subscripts, and superscripts. Links to the NSSDC Planetary home page. Posts contact information via mailing address, telephone number, and e-mail.
