Sommario/riassunto	The Chemical Emergency Preparedness and Prevention Office (CEPPO) of the United States Environmental Protection Agency (EPA) presents the full text of a fact sheet in PDF format entitled "Chemical Safety Information, Site Security and Fuels Regulatory Relief Act: Public Meetings and Other Notifications," published in October 1999. The fact sheet discusses the Chemical Safety Information, Site Security and Fuels Regulatory Relief Act, which prohibits government officials from disclosing to the public the off-site consequence analysis sections of risk management plans and other related materials.
