Sommario/riassunto	"Elections: Perspectives on Activities and Challenges Across the Nation" is an October 2001 report of the U.S. General Accounting Office. The report describes the operations associated with each stage of the U.S. presidential election process and includes information about voter registration, absentee and early voting, election day administration,

vote counts, certification, and recounts. The U.S. General Accounting Office presents a downloadable version of the report online in PDF format.
