Sommario/riassunto	The testing and assessment of second language learners is an essential part of the language learning process. Glenn Fulcher's Testing Second Language Speaking is a state-of-the-art volume that considers the assessment of speaking from historical, theoretical and practical perspectives. The book offers the first systematic, comprehensive and up-to-date treatment of the testing of second language speaking. Written in a clear and accessible manner, it covers: Explanations of the process of test design Costing test design projects How to put the test into practice Evaluation of speaking tests Task
