

1. Record Nr.	UNINA9910693454903321
Autore	Baring-Gould E. Ian
Titolo	Technology, performance, and market report of wind-diesel applications for remote and island communities [[electronic resource]] : preprint // I. Baring-Gould, M. Dabo
Pubbl/distr/stampa	[Golden, Colo.] : , : National Renewable Energy Laboratory, , [2009]
Descrizione fisica	12 pages : digital, PDF file
Collana	Conference paper ; ; NREL/CP-500-44679
Altri autori (Persone)	DaboM
Soggetti	Wind power - Research Remote area power supply systems - Alaska Diesel electric power-plants
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Title from title screen (viewed on February 12, 2009). "To be presented at the European Wind Energy Conference Marseille, France, March 16-19, 2009." "February 2009."
