Autore	Loue Sana
Titolo	Intimate partner violence : societal, medical, legal, and individual responses // Sana Loue
Pubbl/distr/stampa	New York : , : Kluwer Academic Publishers, , [2002] ©2002
ISBN	1-280-20074-X 9786610200740 0-306-47586-3
Edizione	[1st ed. 2001.]
Descrizione fisica	1 online resource (216 p.)
Collana	Women's Health Issues
Disciplina	362.8292
Soggetti	Marital violence Statistics.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The Definition and Epidemiology of Intimate Partner Violence -- Theories of Causation -- How Women and Men Define Experiences of Violence and its Causes -- Violence as Deviance? The Societal Response -- Responses of the Helping Professions -- The Legal Response -- Responses of the Batterer -- Responses of the Battered -- Children Exposed to Partner Violence: Their Responses -- Looking towards the Future: Research, Prevention, and the Provision of Services.
Sommario/riassunto	It is clear that physical abuse is an integral component of some intimate relationships. This book addresses not the violence but our responses or lack of responses to that violation of personal integrity and the accompanying trauma. How partner violence is responded to, individually and collectively, may well determine whether the violence can be prevented or will cease once begun. This text is intended to serve as a basic resource for the student, clinician and researcher. It provides a summary of how we have responded to such violence in the past and presents potential future directions for research and prevention efforts.

Sommario/riassunto

Archaeological excavations at the Eleuthernian burial ground of Orthi Petra yielded a remarkable collection of jar burials in complex internal tomb stratification, containing cremated human bones accompanied by a most noteworthy assembly of burial artifacts of exquisite wealth.
