How Brexit may Affect Banks' Business Models and the Financial System in the UK and EU: Opportunity to Revitalize the Existing Banking Structures?.
Sommario/riassunto	This topical and important book identifies the short to medium-term economic, financial and social consequences of Brexit. Containing perspectives from leading thinkers across legal, economic and financial fields, it considers both the general effect of UK withdrawal on the European integration process, and the specific impact on the free movement of capital, goods and people. Addressing the main areas within both the UK and the EU that can and will be affected by Brexit, including the financial sector, immigration, social rights and social security, After Brexit: Consequences for the European Union will make fascinating reading for all those currently engaged in the study and practice of Law, Economics, Finance, Political Science, Philosophy, History and International Affairs.
