	Sommario/riassunto	This book candidly provides assistant professors and graduate sutdents contemplating a career in academia with practical information that will facilitate their meeting collegiality and service expectations for promotion and tenure.||The focus is on meeting departmental and institutional expectations for collegiality and service. While a superior

record for collegiality and service are unlikely to compensate for a weak teaching or publishing record, an inadequate record for one or both of these can result in denial of tenure and promotion. Following the recommendations in this book can substant
