	Note generali	Title from title screen (viewed on Nov. 1, 2006). "September 2006."

Sommario/riassunto

"In accordance with NEPA regulations, the FAA has prepared the X Prize Cup Final Environmental Assessment (EA) and Finding of No Significant Impact (FONSI). Under the proposed action, the FAA would issue separate experimental permits to applicants seeking to participate in the Vertical Rocket Challenge and the Lunar Lander Challenge at the X Prize Cup, which is to be held at the Las Cruces International Airport in New Mexico during October 2006. In addition, as part of the proposed action, the FAA would approve revisions to the Airport Layout Plan for construction activities required to support the X Prize Cup."-- P. [i].
