Sommario/riassunto	This publication is a bibliographic listing of papers, articles and books published on or about bats in various subject areas. The subject areas are listed in the Table of Contents and the bibliographic listings are provided in alphabetical and chronological order. The title of the article or book is listed first followed by the author(s) and journal or place of publication. If the article or book is available at the National

Agricultural Library (NAL), the NAL Call Number is provided. A section on web site references for bats is also provided for additional information.
