Sommario/riassunto	This publication is a bibliographic listing of papers, articles and books published on or about ferrets in various subject areas. The subject areas are listed in the Table of Contents and the bibliographic listings are provided in alphabetical and chronological order. The title of the book or article is listed first followed by the author(s) and journal or place of publication. If the article or book is available at the National Agricultural Library (NAL), the NAL Call Number is provided. A section at the end of the publication includes selected web sites about ferrets for additional information.
