Nota di bibliografia Sommario/riassunto The Coast Guard and Maritime Transportation Act of 2006 directed GAO to examine spills that cost the responsible party and the Fund at least \$1 million. This report answers three questions: (1) How many major spills (i.e., \$1 million or more) have occurred since 1990, and what is their total cost? (2) What factors affect the cost of spills? and (3) What are the implications of major oil spills for the Oil Spill Liability
