Sommario/riassunto	GAO collected and analyzed information on four agencies' processes (i. e., the Department of Defense, Department of Energy, Department of Transportation, and U.S. Army Corps of Engineers' Civil Works programs). Our objectives were to identify, for these agencies, (1) their processes for identifying and categorizing congressional directives; (2) their processes for tracking, implementing, and reporting on congressional directives; and (3) agency officials' views on the trends and impact of congressional directives.
