

1. Record Nr.	UNINA9910696662203321
Titolo	Trackline geophysical data
Pubbl/distr/stampa	[Aheville N.C.] : , : National Oceanic and Atmospheric Administration, National Centers for Environmental Information, , [2002-]
Descrizione fisica	1 online resource
Soggetti	Marine geophysics Maps. Geodatabases.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	<p>Includes overview map.</p> <p>"NCEI's Marine Trackline Geophysical database provides bathymetry (single-beam), magnetics, gravity and seismic reflection data collected during marine cruises from 1939 to the present. Data sources include US and non-US oceanographic institutions, universities, and government agencies with worldwide data coverage. Use the Trackline Geophysical Data Viewer to search by geographic area, year of survey, institution, platform, survey name, date added to the database, and data type. Downloads can be customized to area, data type, and format."--Agency website</p>
