2. Record Nr.	UNINA9910793909803321
Titolo	Pediatric colorectal and pelvic reconstructive surgery // [edited by] Marc A. Levitt, Alejandra Vilanova-Sanchez
Pubbl/distr/stampa	Boca Raton : , : CRC Press, , [2020]
ISBN	0-429-02778-8 0-429-63990-2
Descrizione fisica	1 online resource (293 pages) : illustrations
Disciplina	617.55059
Soggetti	Pelvis - Surgery
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Sommario/riassunto	"This book provides comprehensive coverage of the anatomical and physiological aspects of complex colorectal and pelvic malformations. Also described are the surgical protocols for this specialized field within pediatric surgery. The benefits of high- level collaboration between surgical services when treating these anomalies are explained, as are treatment algorithms and care of complications. Includes evaluation and management of the newborn Describes surgical interventions of the newborn, and when a primary repair versus a staged approach is required Explains the value of laparoscopy and deciding in which cases to use it Looks at the importance of a transition program to adulthood Pediatric surgeons worldwide and the teams in which they work will benefit from this well illustrated and comprehensive work"--
